To view a list of state parks, go to www.parks.nv.gov.

The program starts on January 1 and will end on December 31, 2023. If you have any questions, please call the Amargosa Library at 775-372-5340 or email www.amargosalibrary@gmail.com

"The Bureau of Land Management welcomes input on this proposed project," said Perry Wickham, Tonopah Field Manager. Two public scoping meetings will be held online at 2:00 PM Pacific Standard Time (PST) January 4, and 5:00 PM PST January 5, 2023. BLM wants large scale solar farms on public lands in Nevada.

BLM quiere granjas solares a gran escala en terrenos públicos en Nevada.

Nye County is working on a resolution to try and stop this in Nye county.

El condado de Nye está trabajando en una resolución para tratar de detener esto en el condado de Nye.

Does Amargosa want included in this?

¿Amargosa quiere ser incluido en esto?

As the only community with a working solar farm we have experienced the advantages and disadvantages. A public discussion forum will be held on January 19th at 5 PM in the community building. We will hold a straw poll at this meeting to discover what the community wants. If you can't make the meeting, voting sheets will be posted outside the town office starting Tuesday the 17th.

Como la única comunidad con una granja solar en funcionamiento, hemos experimentado las ventajas y desventajas. Un foro de discusión pública se llevará a cabo el 19 de enero a las 5:00 p. m. en el edificio comunitario. Realizaremos una encuesta informal en esta reunión para descubrir qué quiere la comunidad. Si no puede asistir a la reunión, las hojas de votación se publicarán fuera de la oficina de la ciudad a partir del martes 17.
