 Death Valley National Park repaired three water system breaks during July 2024, which was the park's hottest month on record. Fortunately, the Great American Outdoors Act will provide approximately \$62 million next year to complete critical upgrades to the park's largest water and wastewater infrastructure systems, which are in the Furnace Creek area.

El Parque Nacional del Valle de la Muerte reparó tres averías en el sistema de agua durante julio de 2024, que fue el mes más caluroso registrado en el parque. Afortunadamente, la Ley Great American Outdoors Act proporcionará aproximadamente 62 millones de dólares el próximo año para completar mejoras críticas en los sistemas de infraestructura de agua y aguas residuales más grandes del parque, que se encuentran en el área de Furnace Creek.

Amargosa Christian Fellowship tiene un programa Awana para niños todos los jueves que la escuela está abierta de 3:45 a 5:00 p. m., donde jugamos y aprendemos sobre Jesús. Todos los niños y sus padres son bienvenidos a asistir.

.....

El Radio Club se reúne todos los sábados a las 10 a. m. para registrarse en el Radio Shack detrás de la estación de bomberos. No dudes en pasar por allí.

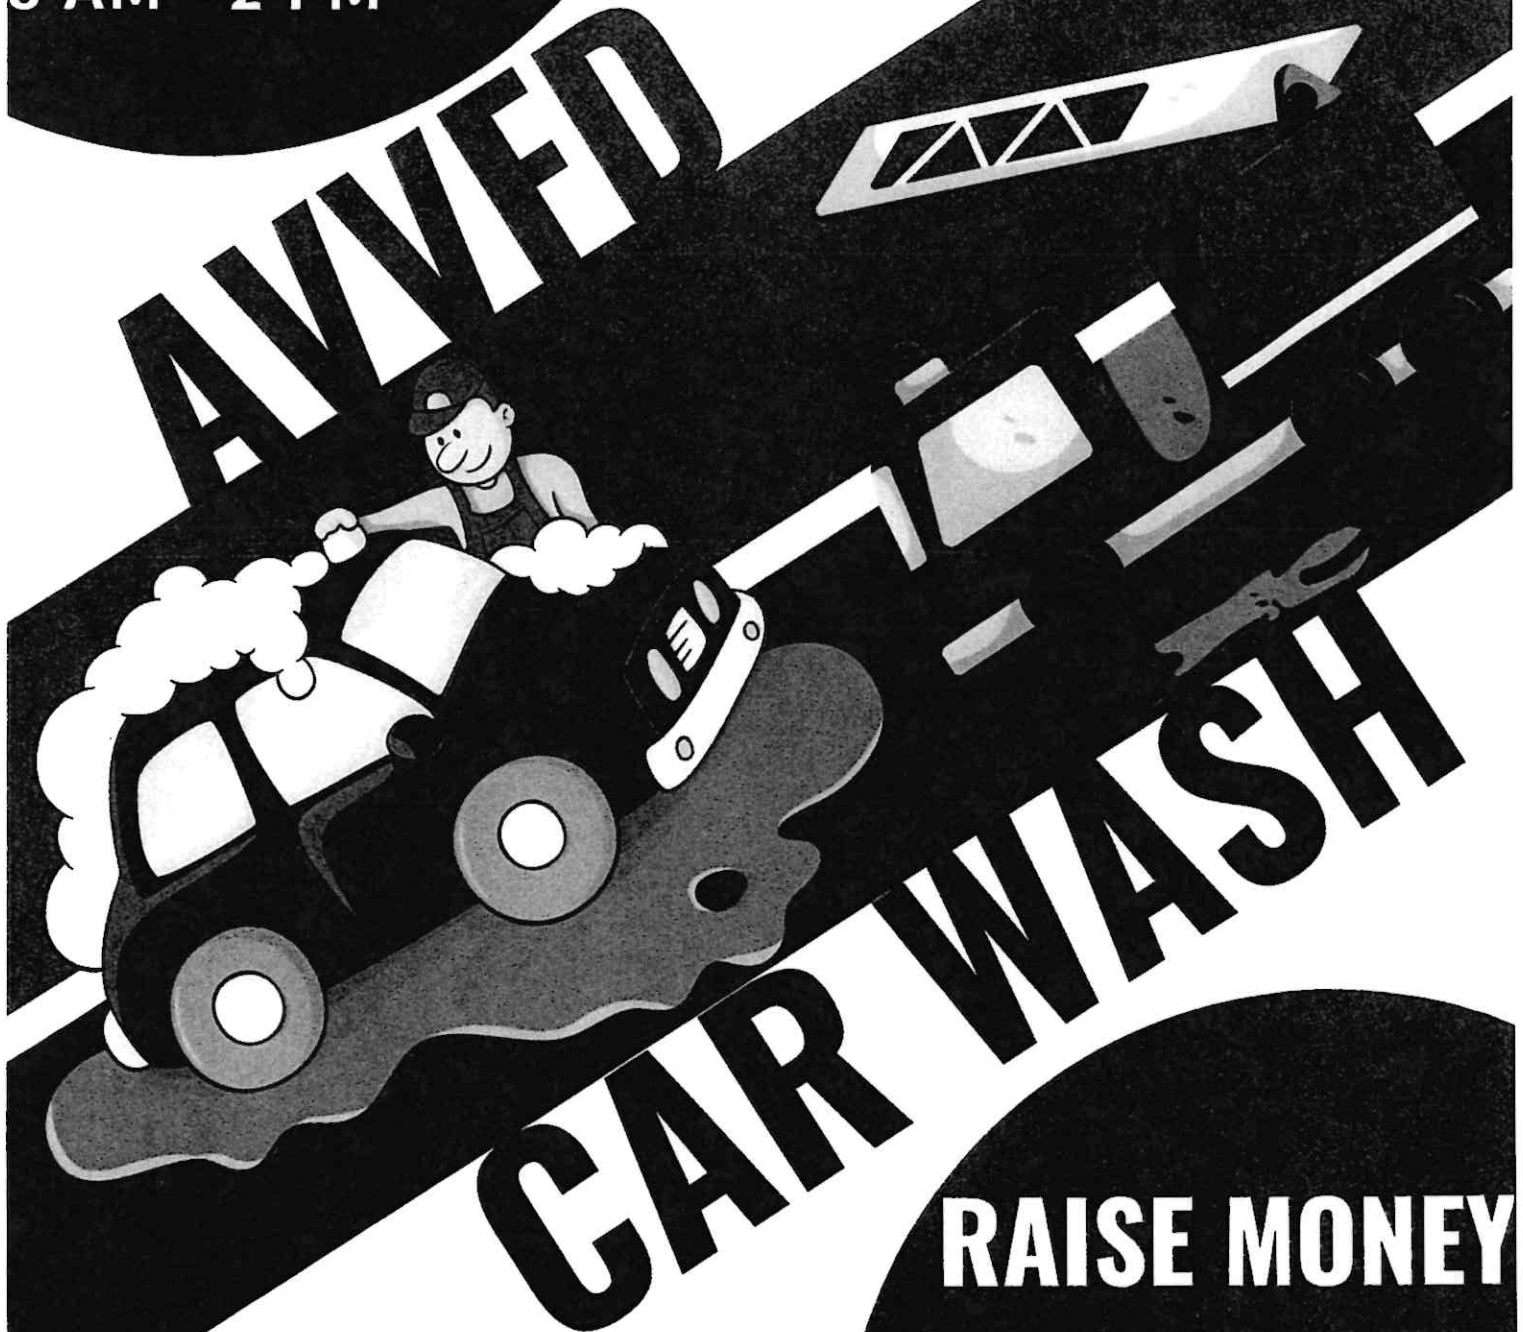

Cualquier reclamante de un derecho de agua adquirido debe presentar, en un formulario prescrito por el Ingeniero Estatal, una prueba de la reclamación al Ingeniero Estatal antes del 31 de diciembre de 2027. Si el reclamante no presenta dicha prueba antes del 31 de diciembre de 2027, se considerará que la reclamación ha sido abandonada. El formulario se puede obtener en <http://water.nv.gov>
