Pahrump Valley Fire-Rescue has announced a Burn Moratorium beginning at 4 PM on Thursday, May 15, 2025, and remaining in effect until late fall

Death Valley, CA — As summer approaches and visitors begin planning trips to national parks across the country, Death Valley National Park is urging motorcycle riders to think twice before traveling by bike during the hottest months of the year. While the park remains a popular destination for motorcyclists, extreme temperatures make summertime travel especially hazardous for two-wheel enthusiasts.

In recognition of Motorcycle Safety Awareness Month, park officials are highlighting the serious risks motorcyclists face during the summer months.

"Motorcycle riders are injured or killed due to the extreme conditions every year in Death Valley. Your safety is our priority, and we want you to return home safely so you can ride for the long haul," said Superintendent Mike Reynolds. "We encourage riders to visit between October and April, when temperatures are significantly cooler and safer for motorcycling."

Learn more about heat

safety: <https://www.nps.gov/articles/heat-illness.htm>
Summertime in Death Valley National Park is characterized by extreme heat, with official temperatures reaching up to 130°F (54°C). Once the heat index exceeds 99°F (37.2°C), the ambient air no longer offers any cooling relief, even while riding at speed. These intense conditions are compounded by the protective gear motorcyclists must wear to stay safe in the event of an accident, making heat-related illnesses more likely.

The Amargosa Library Friends (ALF) is a new non-profit organization whose goal is to help raise money for the Amargosa Valley Community Library expansion. Membership is open to all residents who wish to be part of helping our library grow.

The Amargosa Library Friends (ALF) is sponsoring a logo design contest for our organization. The contest is open to all ages. Pick up a contest application at the Library and return it with your design to the Library by August 1, 2025.

We'd like to extend a big Thank You to all who visited our booth at the Foodie Fest on May 17th. Your support of our efforts is greatly appreciated. Our next meeting is June 2, 2025, at the Community Center at 6:30 PM. Please join us to help our library

El Departamento de Bomberos y Rescate de Pahrump Valley ha anunciado una moratoria de incendios a partir de las 4 p. m. del jueves 15 de mayo de 2025 y que permanecerá vigente hasta fines del otoño.

Death Valley, CA —

Con la llegada del verano y la planificación de viajes a los parques nacionales de todo el país, el Parque Nacional del Valle de la Muerte le urge a los motociclistas a pensarlo dos veces antes de viajar en moto durante los meses más calurosos del año. Si bien el parque sigue siendo un destino popular para los motociclistas, las temperaturas extremas hacen que viajar en moto en verano sea especialmente peligroso.

En conmemoración del Mes de la Concientización sobre la Seguridad en las Motocicletas, las autoridades del parque enfatizan los graves riesgos que enfrentan los motociclistas durante las visitas de verano. "Cada año, los motociclistas resultan heridos o mueren debido a las condiciones extremas en el Valle de la Muerte. Su seguridad es nuestra prioridad y queremos que regresen a casa sanos y salvos para que puedan disfrutar de un largo viaje", declaró el superintendente Mike Reynolds. "Recomendamos a los motociclistas que visiten el parque entre octubre y abril, cuando las temperaturas son significativamente más bajas y más seguras para el motociclismo".

Más información sobre la seguridad contra el calor:

<https://www.nps.gov/articles/heat-illness.htm>

El verano en el Parque Nacional del Valle de la Muerte se caracteriza por un calor extremo, con temperaturas oficiales que alcanzan los 54 °C (130 °F). Una vez que el índice de calor supera los 37,2 °C (99 °F), el aire ambiente deja de ofrecer alivio refrescante, incluso conduciendo a alta velocidad. Estas intensas condiciones se ven agravadas por el equipo de protección que los motociclistas deben usar para mantenerse seguros en caso de accidente, lo que aumenta la probabilidad de enfermedades relacionadas con el calor.

Los Amigos de la Biblioteca de Amargosa (ALF) son una nueva organización sin fines de lucro cuyo objetivo es recaudar fondos para la expansión de la Biblioteca Comunitaria del Valle de Amargosa. La membresía está abierta a todos los residentes que deseen contribuir al crecimiento de nuestra biblioteca.

Los Amigos de la Biblioteca de Amargosa (ALF) patrocinan un concurso de diseño de logotipos para nuestra organización. El concurso está abierto a todas las edades. Recoja la solicitud del concurso en la Biblioteca y devuélvala con su diseño antes del 1 de agosto de 2025.

Agradecemos enormemente a todos los que visitaron nuestro stand en el Festival Gastronómico el 17 de mayo. Agradecemos enormemente su apoyo.

Nuestra próxima reunión es el 2 de junio de 2025 en el Centro Comunitario a las 6:30pm. Únase a nosotros para ayudar a nuestra biblioteca.

Join Our Fire Department Volunteer Team!

Are you ready to make a real difference in your community? Become a fire department volunteer and be a hero in your neighborhood!

Why Volunteer?

- **Make an Impact:** Your efforts can save lives and ensure community safety.
- **Gain Valuable Skills:** Learn emergency response, leadership, and more.
- **Inspire and Be Inspired:** Hear powerful stories from our current volunteers and share your own journey.

Get Involved:

- **Connect with Us Online:** Follow our social media for the latest updates and opportunities.
- **Collaborate with Us:** We partner with schools, businesses, and organizations to enrich our volunteer community.

Be Part of a Diverse Team:

We welcome volunteers from all backgrounds to create an inclusive and dynamic environment. Your unique perspective enriches our department.

Join us today and become a part of something truly rewarding! For more information, contact us at (775)372-1111. Together, we can make a difference! 

Hope
